Dear friends in Czech Olomouc, greetings from Gonaives in Haiti. Hope this year has begun well for you all and your dear ones. We wish you all, a year filled with lots of love, happiness and Peace.

I am writing these few lines to thank you immensely for opening your hearts to love us all here in Haiti. The container arrived on the 18th night with all your well wishes, gifts, donations, love, generosity and sacrifices made for us. I want to say a big thank you to each one of you personally and I want to say that every little thing that was sent to us in the container is very useful. Thank you.

I understand that sending a container to Haiti is not all that easy but Czech Olomouc have been heroic in your courage, hard work, and determination. A

big thanks and appreciation goes to all the members of Olomouc Caritas family especially to Martin Zamazal and Klara Loffelmannova who has put in a lot of efforts to make it happen. We thank you and love you all.

Unloading the container is a hard work but it was carried out well in a very good Spirit by our Haitian workers as you see here in the following photos.

The container was so well packed and arranged, and with the list that was prepared it wasn't difficult for us to unload and differentiate the things for us and

Baie de Henne. The truck from Baie de Henne arrived late but they were able to take all the things and reach safely to BDH the same day without any problem.

Thanks to you all dear benefactors, who have contributed all materials and financial support in sending this container to Haiti. Thank you for everything.

Thank You Czech Olomouc
Thank you all
